**Re:** 2013 President's Classic

Owing to the current state of the facilities at the Petrotrin Velodrome in Palo Seco and the unlikelihood that the necessary refurbishing will be completed on time, the Organisers have cancelled the staging of this year's event.

Petrotrin, in keeping with its corporate social responsibility, has agreed, however, to sponsor this year's edition of the President's Classic, which is now carded for 2013 Saturday, April 06 – the day preceding the date on which Palo Seco Games 2013 was originally proposed – at the Hasely Crawford Stadium, Port of Spain, commencing at 3:00 p.m.

The 2013 President's Classic (*see Provisional Programme attached*) will feature a combination of individual events to which our top athletes would be invited, along with a series of relays for which all clubs are invited to send entries. Based on the number of entries received, a decision will be made whether to run a Final or whether a series of races/timed finals would be necessary.

Cash prizes will be given to the winners of all events.

Deadline for entries is on the Monday 25<sup>th</sup> March 2013 at 4.00p.m NAAA Secretariat.
